[Section 13 Lease TEDCO Land Description.pdf](#)

Hello Jeanie,

We have found two leases that appear to be applicable to the Haystack Mines clean-up. I attached the land descriptions, hoping that may help in trying to find production values. A Chenoweth document also mentions Warnock's operations in SW/4 Section 18, Township 13N Range 10W.

EPA is searching for production values for TEDCO/George Warnock for these geographic areas.

I appreciate your time. Please contact me directly with any questions.
